Actor Sudeep campaigns for Somanna in Chamarajanagar

Chamarajanagar, May 5 (SS&DM)- Chamarajanagar, a district located in the southern part of Karnataka, witnessed a massive gathering of people this morning as the popular actor 'Kichcha' Sudeep campaigned for V. Somanna, the BJP candidate in the Constituency.

The campaign event drew scores of people who turned up to catch a glimpse of the actor. Fans cheered "Kichcha", "Kichcha", "Kichcha" as the actor held Somanna's hands high. Somanna is contesting from Chamarajanagar as well as Varuna, both in the Old Mysuru region.

As Sudeep arrived, he was welcomed by his fans with a massive garland made of apples and it was lifted with the help of a crane. The crowds surged around Sudeep as he campaigned for Somanna at Santhemarahalli Circle and Gundlupet Circle, amidst loud cheers and applause from the fans. Despite the Police's efforts to control the crowds, the surging fans continued to try and reach Sudeep, who stood on top of an open car with Somanna, waving at the crowd. The Police had to resort to lathicharge to control the huge gathering at Santhemarahalli Circle.

As the car moved near Santhemarahalli Circle, one of Sudeep's fans attempted to get inside the car, causing a commotion. Unfortunately, the fan lost his balance and held on to Somanna, who also got dragged down along with him. However, the actor's bouncer managed to save Somanna from falling.

EDITOR'S BOTTOMLINE

When Neil Armstrong took the first step on the moon, it was a giant step for mankind in modern science and technology. As far as spirituality is concerned, that step was made by Siddharth Gautam. The Buddha saw very well that happiness is possible and is made of understanding and love. He showed us the way to cultivate understanding and love, so that we can have a happy life.

To bring about reconciliation and restoring love is possible with the practices given by the Buddha. With the practice of compassionate listening and loving speech, we can restore communication in just a few hours. It takes only five or six days to learn how to release the tension in our body and calm our painful feelings and emotions, and only a few days to learn how to generate a feeling of joy and happiness, and how to understand the suffering in oneself and the suffering in the other person, be it someone close like our spouse, child or parent.

Seeing the suffering in them helps us not be angry with them any longer. And we can make use of the practice of compassionate listening and loving speech to help them suffer less.

The Buddha gave us a number of sutras that are very practical and easy to understand. The sutra, for example, on the Four Foundations of Mindfulness — mindfulness of the body, feelings, mental formations and of the objects of the mind. Practising according to this sutra, we can have a deep insight into our body, feelings and our perceptions. Practising for a few weeks, the sutra on mindfulness can help us liberate ourselves from many wrong perceptions and afflictions.

Ball spins 47.13 seconds to break record

Budapest: A Hungarian billiards enthusiast broke a Guinness World Record by getting a cue ball to spin for 47.13 seconds.

Guinness World Records (GWR) said Bence Kővári, 29, used his cue stick to strike the cue ball, which began to spin after colliding with a second ball.

The ball needed to spin without striking the side of the billiards table in order to qualify for the record.

GWR said the ball continued spinning for 47.13 seconds, breaking the previous record of 42.20 seconds, set in 2021 by the French trick shot artist Florian "Venom" Kohler.

"A friend of mine showed me a video of a fabulous pool shot done by Florian. That friend was curious how long I can spin the ball and we measured more than 30 seconds," Kővári told GWR.

Fake 'Boris Johnson' held for drink driving

Groningen: Dutch police who arrested a man on suspicion of drink driving discovered he had a driving licence naming him as "Boris Johnson".

The fake Ukrainian document featured a picture of the former Prime Minister, as well as his correct birthdate of 19 June 1964. However it is valid until December in the year 3000.

A Police spokesman said a car crashed into a pole near a bridge in the northern city of Groningen shortly after midnight on Sunday. Officers found the car abandoned but later discovered the driver standing on the Emma Bridge.

"The person could not identify himself and refused to undertake a breathalyser test. Inside, Police found a fake driver's licence belonging to Boris Johnson," Police spokesman said.

The 35-year-old man who was arrested is from the town of Zuidhorn, west of Groningen.

Pathetic state of sub-urban bus stand

Sir,

I am a resident of Yadavagiri and my movement is restricted to Vontikoppal, Gokulam and such other places nearby. Today, I happened to visit the sub-urban bus stand and had to wait for sometime to pick up a relative visiting from Chennai. But I got very shocked on seeing the pitiable state of the roads and the area around the bus stand visited by thousands of people daily.

I had picturised Mysuru as a beautiful city but now I started feeling embarrassed. I request the authorities concerned to work towards maintaining cleanliness and hygiene of the bus stand. Here are a few suggestions:

1. In the car parking place, people spit and urinate. A public toilet with a few wash basins could be built. **2.** More number of trash bins are to be placed in and around bus stand, especially in front of the shops. **3.** The roads and footpaths are damaged and dirty. They require repair.

4. Display boards needed requesting public to maintain cleanliness. Our people are the main reason for dirtying the public places. They don't understand that if they have a home for themselves, the public places are home to all of us. If maintenance is improved, then the public will hesitate to litter.

BJP Govt. has regularised 11,000 Pourakarmikas: Kote M. Shivanna

Karnataka Safai Karmachari Commission Chairman Kote M. Shivanna addressing the press meet in city yesterday as Mayor Shivakumar, MUDA Chairman Yashaswi Somashekar and others look on.

Mysuru, May 5 (GA&DM)- Maintaining that the BJP Government has regularised the services of more than 11,000 Pourakarmikas in the State, Karnataka Safai Karmachari Commission Chairman Kote M. Shivanna said that the State Government has also implemented several programmes for the welfare of Pourakarmikas.

Addressing a press meet at the BJP Office in Chamarajapuram here yesterday, Shivanna said he hopes that Pourakarmika families will vote for BJP in the Assembly polls, considering the welfare programmes launched by State Government.

Noting that he had submitted four reports to the Government after touring the entire State, Shivanna said there are 53,000 Pourakarmikas in Karnataka, out of whom 11,133 have been regularised. The CM has also given nod for regularising 12,300 other Pourakarmikas in the second phase and 15,000 more subsequently, he said while lashing out at KPCC President D.K. Shivakumar and Congress Party's Karnataka In-charge Randeep Surjewala for making false claims on regularising the services of 25,000 Pourakarmikas if the Congress is voted to power.

Noting that the Bommai Government gave Rs.2,000 as crisis allowance to all Pourakarmikas, Shivanna said the BJP Government has taken measures for allotting houses to shelterless Pourakarmikas, Cashless Health Insurance Scheme under which Pourakarmikas can avail medical treatment upto Rs. 5 lakh, life insurance coverage and construction of rest houses for men and women Pourakarmikas.

Mayor Shivakumar said that the BJP Government has fulfilled the long pending demands of SC/ST communities. Pointing out that Talwar and Parivara sub-sects were included in the scheduled list of ST Communities, he said the formation of Valmiki Development Corporation is a boon to ST Communities. Noting that B.S. Yediyurappa (BSY) had evolved numerous plans for the benefit of ST communities, the Mayor said that BSY must be credited for construction of Valmiki Bhavans across the State and official celebration of Valmiki Jayanti. Maintaining that the morning breakfast scheme for Pourakarmikas, which was stopped following complaints of poor quality of food, will be reintroduced soon, he said tenders have been invited for the scheme. This apart, the MCC will set aside funds in the next year's budget for providing Electric Vehicles to Pourakarmikas, he added.

BJP leaders Dr. K. Vasanthkumar, Nagesh and Mahesh Raje Urs were present at the press meet.

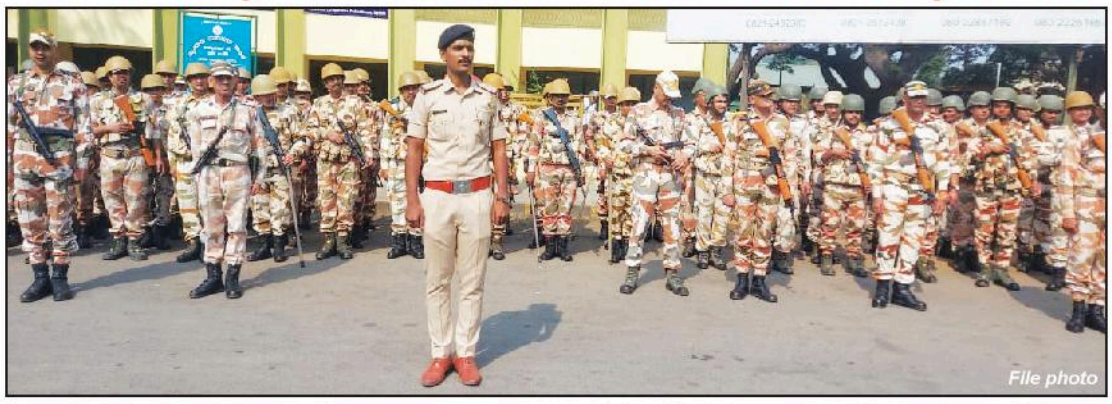
3,000 security personnel to ensure peaceful polls

1,100 licenced arms deposited with Police; 20 rowdy-sheeters banished from Mysuru



File photo

Mysuru, May 5 (RK&BCT)- The conduct of elections involves elaborate security management, which includes not just the security of polling personnel, polling stations and polling materials, but also the overall security of the election process.

Central Armed Police Forces, Central Industrial Security Force (CISF) or Paramilitary Forces are deployed to supplement the local Police force in ensuring a peaceful and conducive atmosphere for the smooth conduct of elections in a free, fair and credible manner.

As part of their duty manual, the Paramilitary forces have been deployed well in advance for area domination, route marches in vulnerable pockets, point patrolling and other confidence-building measures to reassure and build faith in the minds of the voters, especially those belonging to the vulnerable sections.

In Mysuru District alone, over 3,000 security forces including 800 personnel of Paramilitary Forces from 10 units and the rest drawn from various wings of the Police like City Armed Reserve (CAR), District Armed Reserve (DAR), Karnataka State Reserve Police (KSRP), Mounted Police, Traffic Police, Women Police, the city and district Police units and Home Guards.

The Paramilitary Forces have been inducted well in time for undertaking area familiarisation and hand-holding with local forces and all other standard security protocols for movement, Model Code of Conduct enforcement activities, etc. in these areas have been strictly adhered to. They have been deployed across the 54 check-posts for 24X7 vigilance.

The conduct of these security forces and the routine happenings at the borders and other areas are continuously being monitored by a dedicated team of officers who are stationed inside a room (a sort of control room) at the DC Office. These check posts are connected to CCTV cameras where the visuals are beamed on the screens in the control room.

Since Mysuru falls under the Expenditure-Sensitive Constituency category and the district roads lead to 11 Constituencies and two State Borders, security has been beefed up at the borders, check posts within the Constituencies and also within Mysuru city to prevent the movement of illegal cash and freebies used for voter inducement.

On the eve of the elections, these security forces and the Police must take position and control of the respective polling stations and will be responsible for safeguarding the polling stations and for providing security to the electors and polling personnel on the poll day.

Besides, these forces will secure the strong rooms where Electronic Voting Machines (EVMs) and Voter Verifiable Paper Audit Trail (VVPATs) are stored till the counting process ends and the results are declared.

As part of ensuring order, the Mysuru district and the city Police have banished 20 rowdy-sheeters and have been sent to other districts and one rowdy-sheeter, who has directly been involved in disturbing peace, has been sent to prison.

Over 1,100 licenced weapons of the general public have been deposited under the supervision of the Deputy Commissioner of Police and these weapons will be handed over only after the poll process is completed.

Apart from the general security duties during the election, the security forces and the Police have the responsibility of providing a security blanket to national-level leaders, especially those who are under the Z Plus category security.

Former Howdah Elephant Balarama falls sick

Hunsur, May 5 (Raghu&KS)- Balarama, the 67-year-old former Captain of the Dasara Jumboo Savari elephant squad, who had carried the 750-kg Golden Howdah for a record 14 times has fallen sick due to suspected Tuberculosis (TB) and is said to be critically ill.

A team of veterinarians are treating Balarama at Bheemanakatte Elephant Camp at Hunsur Range in Nagarahole Reserve Forest. Balarama had developed ulcers in his mouth since last 10 days and the vets have suspected that he (Balarama) may be suffering from TB The nature of the disease will be known only after receiving the medical test report.

As Balarama is unable to chew food or drink water, Nagarahole Veterinarian Dr. Ramesh has stayed put with Balarama and is treating him. Following instructions from Nagarahole Tiger Reserve Director Harshakumar Chikkanaragunda, a team of Forest Department staff led by Range Forest Officer (RFO) Rathnakar and Deputy RFO Siddaraju and also Balarama's mahout Thimma, Kavadi Manjunath and others are taking care of Balarama.

Endoscopy report awaited

As Balarama is critically ill, Veterinarians Dr. Chettiappa, Dr. Madan, Dr. Ramesh and team have examined Balarama. Also, an endoscopy procedure has also been done using a portable machine with the help from Mysore royal family members and the report is awaited. The team of Veterinarians are keeping a round the clock vigil on Balarama besides treating him.

As Balarama is unable to consume solid food, he is being given ragi porridge, ragi balls, banana, watermelon and other soft food. Sources said that Balarama was recovering.

He was shot last year

It may be recalled that Balarama, who was let out to the adjacent forest to graze at about 9.30 pm on the night of Dec.15 last year was shot. The Forest Department staff heard gun shots and elephant cries (trumpet), following which they went in the direction from where they heard the sound and found Balarama lying injured on the ground.

Further search led them to discover farmer Suresh atop a tree holding a single barrel gun, close to the spot. Forest officials said that Suresh should have fired shots in the air to scare away the jumbo, instead of firing directly at Balarama, causing injuries to him and as such, Suresh was arrested under Wildlife (Protection) Act.

Veterinarian Dr. Ramesh, who had removed about 35 cartridges (Cycle Ball type) from Balarama's body and dressed the wounds, used a hand held metal detector to detect the metal balls lodged inside Balarama's body.

After Balarama recovered, he was brought back to its camp by Mahouts and Kavadis.

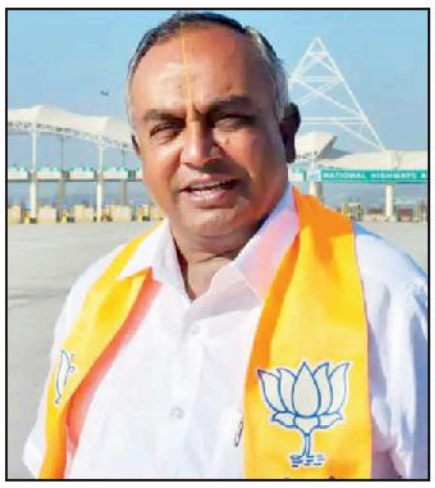
'I grew up here, know local problems, have solutions'

BJP candidate T.S. Srivatsa shares his vision and commitment for KR Constituency

T.S. Srivatsa, *the BJP candidate from Krishnaraja (KR) Constituency, is the last of the nine siblings of Talakad T.N. Srinivas Tatachar and Rangalakshmi couple. He lives in his ancestral home (see pic.) located on the second cross of Ramanuja Road in Agrahara, Mysuru. The 56-year-old Srivatsa, a B.Com graduate, has been a dedicated member of BJP since 1988 and has served the party in various capacities, including City BJP President, a post he currently holds. He also runs an incense stick packing firm. As the May 10 election draws near,* ***Star of Mysore*** *caught up with him amidst his busy poll campaign for a chat.* ***Excerpts:***

By S.B. Devaraj



T.S. Srivatsa, KR BJP candidate

Star of Mysore (SOM): What was your first reaction when BJP named you as the party's candidate?

Srivatsa: I was very happy to have been given the opportunity to contest. This shows that dedicated and determined party workers will be suitably rewarded in the BJP. It is also an example of how an ordinary worker who is hard-working and honest is given an opportunity at the right time.

SOM: Now that you have been given the ticket, how is the response of the electorate?

Srivatsa: Yes, there is a positive response to me everywhere even as the election campaign has touched peak. The response that I am getting is all the more enthusiastic, with people greeting me and wishing me. This response, which is well beyond my expectations, is surely going to result in my victory.

SOM: Are you aware of the problems in the Constituency?

Srivatsa: Yes, I do have a thorough understanding of the problems and I have listed out the problems and will work to resolve them on a priority basis. I grew up here, have spent most of my life in the Constituency and as such I am very well aware of the grievances of the citizens. Moreover, I grew up amidst a slew of problems and as such I am quite familiar with the problems of citizens, for which I have solutions.

SOM: What would be your topmost priority if you win?

Srivatsa: One of my first priorities is to find a long-lasting solution to the Sewage Farm in Vidyaranyapuram where a solid waste treatment plant is functioning. The plant has been emanating an unbearable stench and the residents are facing untold sufferings and health hazards. I will take all measures to address the woes of the residents. Likewise, I will also work towards finding a permanent solution to the landed property Khata hurdles relating to K.C. Layout.

SOM: What assurances would you give to voters during campaign?

Srivatsa: I will always be a people-friendly legislator. I promise to work in a way that no one should run often to the MLA's office or house for any work. I want to be an ordinary MLA who will be one among the people.

SOM: What are the voters complaining about during your poll campaign?

Srivatsa: One of the major problems is that of Rajakaluve that runs through KR Constituency. People also complain about the supply of polluted water, lack of civic amenities, water-logging during rains, etc. I will work for addressing the issues raised by the citizens.

SOM: What is your strategy for attracting young voters?

Srivatsa: We have asked the youths to download the Namo App, which will act like a guide to the future. We are talking to the youths about the ideas and future plans of Prime Minister Narendra Modi for the country. We are also educating them about what Modi has done to India so far and what he plans to do in the coming years. The youths are naturally swayed by the BJP's policies and plans. So, they have decided that BJP is their only choice as the Prime Minister has drawn a roadmap for their future and the entire country will come to know of this in the coming days.

Vintage car rally

(Continued from page 1)

Moving on the roads, the cars and tongas added colour to the rally in their own way while the Ambaari bus sported a huge banner on SVEEP and voting awareness where staff were holding flags on the upper deck to attract people.

While the owners of the vintage beauties sat on the driver's seat, top officers of the district and city including DC Dr. Rajendra, City Police Commissioner Ramesh Banoth, Zilla Panchayat CEO and SVEEP Committee Nodal Officer K.M. Gayathri, MCC Commissioner G. Lakshmikantha Reddy, MCC Executive Engineer Nagaraj, Commissioner of Department of Archaeology, Museums and Heritage Devaraju and officers of ZP and MCC sat in the vehicle and took part in the rally.

Addressing the gathering, Dr. Rajendra, who is also the District Electoral Officer, said that every one must vote on May 10. "The message is about compulsory voting and ethical voting. Only if these two are exercised, we can root out electoral malpractices and at the same time make our future secure," he said.

"The right to exercise one's franchise forms the cornerstone of any democracy. The essence of democracy lies in voting. The voting has to be done with discretion and with full knowledge of what's going on," he added.

I will vote: CAVA students' banner painting adds colour

Mysuru, May 5 (RK&BCT)- Students of CAVA (Chamarajendra Academy of Visual Arts) took up a unique initiative of painting a giant banner on voting awareness in city this morning.

A white banner-like cloth was tied to poles across the Chikka Gadiyara that has a huge floating population every day, especially during business hours. Once the banner was tied, they started painting symbols of voting, inked fingers and women creating voting awareness. Through the paintings, students crated a festive atmosphere and urged people to participate in the Festival of Democracy.

The ills of freebie culture, the evil of cash and liquor inducement before voting and the advantages of mass and compulsory voting were depicted and conveyed visually.

Deputy Commissioner K.V. Rajendra opened this awareness initiative in the presence of Zilla Panchayat CEO and SVEEP Committee Nodal Officer K.M. Gayathri, Mysuru City Corporation Commissioner G. Lakshmikantha Reddy and other officers.

The officers too tried their hands in painting dots and lines.

Star canvass: Somanna takes a swipe at Siddharamaiah

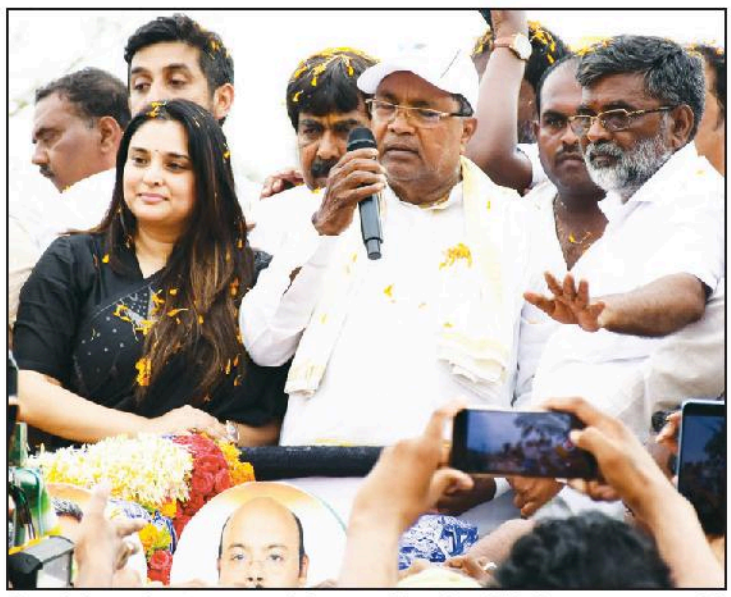
'Had he improved Varuna in 15 years, he did not have to bring in film stars as face-saver'

Mysuru, May 5 (BS&BCT)- Even as cinema stars have started campaigning for former Chief Minister Siddharamaiah in his own home turf of Varuna witnessing intense canvassing on war-footing, his opponent Housing Minister V. Somanna took pot-shots at the former CM for depending on film stars to face him.

"Oh how the mighty have fallen! Siddharamaiah, who boasted about visiting the Constituency only on polling day, now seems to be in despair and is desperately bringing in star campaigners to try and gather more people for his campaign," he said in a tone full of sarcasm. People may come to see the popular star, but it will not convert into votes for him, he said.

"I am happy that Siddharamaiah, who always claims of giving good administration, has been forced to bring film stars to campaign for him to face one Somanna," he added.

Somanna made these remarks during a road show at Eshwara Gowdanahalli, Biligere, Gejjaganahalli and other villages in the T. Narasipura taluk falling under the Varuna Constituency, yesterday.



Sandalwood actress and former Mandya MP Ramya seen with former CM Siddharamaiah during the road show at Varuna Constituency yesterday.

"Siddharamaiah has become nervous looking at the support I am getting and he is not the same Siddharamaiah I have seen. I heard film stars Shivarajkumar, 'Duniya' Vijay and Ramya are campaigning for him. I can clearly understand Siddharamaiah's predicament over my contest. There is absolutely no development in Varuna. There is neither a college, nor a hospital and even roads. Yet, Siddharamaiah claims that the people will vote for him. He has brought stars as a face-saver, to salvage a gloomy situation," Somanna said.

"When he filed his nomination, Siddharamaiah had declared that he would only come to Varuna on the day of the election and would not campaign. But now, he is going on a campaign trail with star campaigners. It is quite evident that Somanna's presence has led to Siddharamaiah's desperation. Had he spent time in improving Varuna, in the last 15 years, Siddharamaiah would not have had to bring in the film stars," added Somanna.

Good rapport with Dr. Raj family

In a media statement regarding Shivarajkumar's campaign, Somanna said, "I have had a good relationship with the legendary actor Dr. Rajkumar's family for the past 40 years, and I consider myself to be one of their family members," he said.

"After the untimely demise of actor Puneeth Rajkumar, I worked with the Government to build a hospital in his memory and it was even praised by his brother Raghavendra Rajkumar for keeping Puneeth's memory alive. However, I am perplexed as to why Shivarajkumar, whom I deeply respect, participated in the campaign. I am not concerned about other actors like Ramya and 'Duniya' Vijay," he added.

It may be mentioned here that Somanna took the initiative of building a hospital in his Govindarajanagar Assembly Constituency in Bengaluru and named it after Puneeth Rajkumar.

Shivarajkumar bats for Siddu

Mysuru, May 5 (MTY&BS)- Sandalwood star and 'hat-trick hero' Shivarajkumar has appealed to the voters of Varuna to ensure the victory of former Chief Minister Siddharamaiah, who is "a ray of hope for the poor."

Speaking after taking part in a road show along with Siddharamaiah at various villages of Varuna yesterday, Shivarajkumar who was accompanied by his wife and Congress leader Geetha, said, "During his five-year tenure as CM, Siddharamaiah implemented several popular schemes, with most of them being pro-poor and pro-farmer," the actor claimed.

"Siddharamaiah helped us while establishing 'Shaktidhama' to care for orphaned girl children in Mysuru. Shivarajkumar also said that Siddharamaiah's victory would be a victory for the people," he said.

"Appaji (Dr. Rajkumar) was always calling Siddharamaiah as 'Namma Kadeyavaru' (hailing from a common place) and Siddharamaiah shares a warm relationship with our family which we won't forget. Even now he mingles with us and treats us with love and affection," the actor added.

Before disembarking from the road show, Shivarajkumar sang a few lines of a popular song from his father Rajkumar's all-time hit movie 'Mayura' and also the title song from his hit film 'Mylari'.

Sandalwood actress and former Mandya MP Ramya also joined the campaign later at Kempisiddanahundi and went on a road show in an open vehicle with Siddharamaiah, Shivarajkumar and Nishvika Naidu at Hallididdi, Hallikerehundi, Thandavapura and Basavanapura.

Shivanna responds to criticism

Responding to Somanna's comments and the comments of BJP leaders over his campaigning for Siddharamaiah, Shivarajkumar said, "It is my personal choice to campaign for Siddharamaiah and there is nothing political about it. My fellow actor and friend 'Kichcha' Sudeep is campaigning for BJP and that's his personal choice. There is no enmity between us because of our choices. After all this is just a competition, not a war," he said.

"No one from BJP contacted me to campaign and if they had approached me, I would have campaigned for them too. Moreover, there are innumerable people who continue to serve in the name of Puneeth Rajkumar. But no one goes talking about what they did in Puneeth's name," the actor said.

Bizmen seek 10 crucial projects to give boost to 'Brand Mysuru'

Mysuru, May 5 (BCT)- The National Real Estate Development Council (NAREDCO), Mysuru, recently hosted a monthly meeting at Hotel Southern Star to discuss and interact on the mega project called 'Brand Mysuru.'

It is for the first time in Mysuru, where NAREDCO, Confederation of Indian Industry (CII), Mysuru Hotel Owners Association, Confederation of Real Estate Developers' Association of India (CREDAI), Mysore Industries Association (MIA) and the Indian Green Skills Council have come under one platform to discuss the 'Brand Mysuru' project.

The 'Brand Mysuru' project aims to position Mysuru as a comprehensive and well-equipped city capable of contributing to the Central government's target of five trillion dollar economic transactions. Mysuru is set to establish its dominance in semiconductor unit manufacturing, natural therapy, and yoga, much like Bengaluru Silicon Valley in Asia.

The session was held with the intention of showcasing Mysuru as a brand to the outside world. The panellists felt that Mysuru's potential has been realised only 25 percent and the remaining 75 percent is still unexplored. "In 2011, a leading national newspaper ranked Mysuru fifth among the top destinations for tourism, industry and investment. Unfortunately, the growth has been stagnant," felt NAREDCO Mysuru Chairman Divyesh.

Divyesh** (fourth from left) **inaugurating the monthly meeting at Hotel Southern Star in city recently as** (from left) **NAREDCO Mysuru Secretary M.L. Narayanagowda, General Secretary of Mysore Industries Association (MIA) Sureshkumar Jain, NAREDCO President Adisheshan Gowda, CII Mysuru Chairman Sam Cherian, NAREDCO Vice-President Ravi Kumar and CREDAI Chairman D. Srihari look on.

To achieve international recognition, the State and Central Governments need to implement ten crucial projects as soon as possible in Mysuru region. These projects include construction of a semiconductor production ecosystem, a massive logistics zone, rapid connectivity with other cities for tourism growth and a world-class education sector by improving the existing education ecosystem.

In addition, there has to be a cinema production sector or a Film City in Mysuru, a massive industrial sector, a supplementary skill training zone for employment generation, implementation of metro rail project, construction of flyovers for quick connectivity in all directions and establishment of 'Brand Mysuru Authority' for hurdle clearance and quick implementation of everything concerning Mysuru.

The panellists included Chairman of Indian Green Skills Council, Mysuru, K. Sriram, Chairman of CII, Mysuru Sam Cherian, President of Mysuru Hotel Owners Association C. Narayanagowda, General Secretary of MIA Sureshkumar Jain and CREDAI Chairman D. Srihari. NAREDCO Mysuru Secretary M.L. Nagesh, Treasurer S. Paniraj and NAREDCO members were present.

As the next step, NAREDCO has decided to form a committee to take forward the 'Brand Mysuru' concept in the coming days. "We will invite the CEOs, CXOs, CFOs and COOs of airline operating companies and project Brand Mysuru and urge them to operate flights, especially Mysuru-centric flights," Divyesh said.

Apart from the panel discussion, there was also a technical talk by G.K. Sudheendra, architect, 'Place Called Tomorrow' on "Disruption in the construction industry — Robotics."

'We need hop-on-hop-off flights from Mysuru'

Mysuru, May 5 (BCT)- NAREDCO Mysuru Chairman Divyesh told the gathering that there is a desperate need to introduce hop-on-hop-off flights from Mysuru to different destinations. "We need at least three Mysuru-centric flights that give a person an opportunity to travel from Mysuru for example to Goa, Chennai, New Delhi or Hyderabad and back to Mysuru," he said.

"A person leaving Mysuru in the morning or afternoon for a business trip to Goa, Chennai, Delhi or Hyderabad must be made sure of coming back home on the same day. He would not mind waiting for even an hour at a transit point so that he can get home. This hop-on-hop-off flight will change the face of Mysuru business and uplift Brand Mysuru," he opined.

During the panel discussion too, the present Mysuru flight timings were discussed where speakers felt that the timings of certain flights are tourist and industry-unfriendly and had limited scope. "We need to bring in a spending crowd to Mysuru to improve the economy," Divyesh added.

Ex-CM Sadananda Gowda's whirlwind campaign tour in Mysuru

Sitting MP of Bangalore North takes out road shows at Chamundeshwari and Chamaraja Constituencies, canvasses at NR for BJP candidates

Mysuru, May 5 (RK,MK&BS)- Former Chief Minister D.V. Sadananda Gowda (DVS) campaigned for BJP candidates of Chamundeshwari, Chamaraja and Narasimharaja (NR) Assembly Constituencies here yesterday.

Sadananda Gowda, who is also the sitting MP of Bangalore North Constituency, took out road shows in support of Chamundeshwari candidate V. Kaveesh Gowda and Chamaraja candidate L. Nagendra, while he campaigned for NR candidate S. Satish (Sandesh Swamy) on foot.

While on a road show in an open vehicle at Mavinahalli in Chamundeshwari, DVS said, 'BJP has fielded new faces this time, with youngster Kaveesh in Chamundeshwari. The voters should set a new precedent by favouring Kaveesh, who belongs to a new breed of leaders with new thinking, a strong will to provide hi-tech education, health and library facilities. He is a suitable candidate who has a slew of plans to transform the life of rural youths by tapping Government schemes, imparting skills to urban youths to provide job and implementing programmes in the fields of agriculture, horticulture, housing, drinking water, toilet, road and drainage and establishment of industries and empowerment of women.

The voters should support BJP this time for realising Prime Minister Narendra Modi's mantra of development, said Sadananda Gowda.

Chairman of Mysuru Urban Development Authority (MUDA) Yashaswi S. Somashekar, BJP leaders Hemanth Kumar Gowda and Gejjagalli Mahesh and others also took part in the road show.

At Chamaraja

Sadananda Gowda, who campaigned at Chamaraja Constituency, predicted the chances of sitting MLA and BJP candidate L. Nagendra becoming the Minister, if he is re-elected.

"Efforts will be made to accommodate Nagendra, who has won the love of electorates, into the Cabinet if he wins the election. You be ready to greet him as the Minister," he said in his fervent appeal to the voters.

"So far BJP has not got absolute majority in the State. Starting last month, I have toured 15 districts in the State including Kolar and Chikkaballapur and the people's response is good, springing hope of winning over 130 seats. The party will form the Government without hinging on anybody's support and bringing anybody into party fold," said the ex-CM.

Opposition leader Siddharamaiah has returned to Varuna after dragging his foot all over. As his house also is nearby Varuna, it has been decided that BJP should ensure his returning home after the conclusion of elections, he added.

Mysuru - Kodagu MP Pratap Simha, who also said that the chances of Nagendra becoming a Minister are more, recalled 'though H.S. Shankaralinge Gowda was a four-time MLA from Chamaraja, he couldn't become a Minister. Elect Nagendra and he will return to the Constituency as a Minister for further development of the district."

The road show began from Mathrumandali Circle, passed through the main thoroughfares of Paduvarahalli and concluded near Sri Prasanna Anjaneya Swamy temple in Vontikoppal. Later special puja was offered at the temple. BJP leaders Jayaprakash (JP), Chowdappa, Corporators C. Vedavathi, Pramila Bharath and M.U. Subbaiah, President of BJP Yuva Morcha Mysuru City Kiran Gowda and other leaders were present.

At Narasimharaja

Later, D.V. Sadandanda Gowda campaigned at the prominent roads in Narasimharaja Constituency and sought votes for BJP candidate Sandesh Swamy. By electing BJP candidate, people should cooperate in the development of the Constituency and State, he appealed.

BJP Mysuru City Working President H.G. Giridhar, former Chairman of Karnataka Exhibition Authority (KEA) B.P. Manjunath, leader Bhanuprakash and others were present.

PM Modi's public address to voters in Nanjangud on May 7

Narendra Modi

Mysuru, May 5 (RK&TRR) - Prime Minister Narendra Modi will hold his last election campaign for the coming Assembly elections on May 7 at Elachigere Bore village in Nanjangud Taluk, said BJP Mysuru Division in-charge M.V. Ravishankar.

Over 2,000 party workers from Nanjangud and Gundlupet will take part in a bike rally and reach the venue," he added.

"I have toured the entire Mysuru district and everywhere I noticed a strong wind in favour of the BJP. People used to say that BJP has support only in urban areas and lack support in rural region. But now, BJP has very good support base even in rural areas. Party workers are upbeat as they are getting good response from the voters and BJP candidate V. Somanna is sure to win from Varuna Constituency. Siddharamaiah never used to bring film stars for his election campaign. But now he has brought film stars and also his family members for campaigning," said Ravishankar.

District BJP Co-Spokesman Dr. K. Vasanthkumar, District Media Convenor Mahesh Raje Urs and Cable Mahesh were present at the press meet.

Siddu continues road show

Actors 'Duniya' Vijay and 'Loose Mada' Yogeesh join former CM on second day of canvassing

Mysuru, May 5 (MTY&BS)- Former Chief Minister Siddharamaiah has continued to campaign for the second consecutive day at Varuna Assembly Constituency today, by taking out a road show in the company of actress Nishvika Naidu and Congress leaders.

They were joined by film stars 'Duniya' Vijay and 'Loose Mada' Yogeesh, lending a star touch to the hustings, that began with the entry of actors Shivarajkumar and Ramya yesterday.

Siddharamaiah, who began his road show this morning from Chikkahalli, was welcomed by the frenzy villagers with a huge garland made of roses.

Addressing the villagers, Siddharamaiah recalled his previous stint as a Chief Minister, when he gave corruption-free Government and safeguarded the interests of dalits, downtrodden and farmers, fulfilling the promises made to the people.

Launching a tirade against BJP for mocking at several Bhagya schemes introduced by him and also Indira Canteens, Siddharamaiah said now they are indulging in fomenting trouble in Varuna Constituency and creating a rift among castes in the name of hiking quota of reservation. We will return to power for sure in the State and will implement all the promises made in the manifesto, he assured.

WORD OF THE DAY

Wistful

Pronunciation: WIST-ful.
Meaning: To be full of or to inspire yearning or desire tinged with melancholy. It can also mean "suggestive of sad thoughtfulness."
Origin: The etymology of wistful, while intriguing, is not entirely clear. It's thought that the word is a combination of wistly, a now-obsolete word meaning "intently" and, perhaps, the similar-sounding wishful. Wistly, in turn, may have come from whistly, an old term meaning "silently" or "quietly." What's more certain is that our modern wistful is a great word to describe someone full of pensive yearning, or something inspiring such yearning.
Example: "Josh Tillman, better known by stage name Father John Misty, dives headlong into big-band jazz on his sumptuous and melancholy fifth album [Chloë and the Next 20th Century]. With honeyed vocals and a potent dose of gallows humor, the shape-shifting crooner is reborn as a Sinatra-style lounge act, weaving wistful tales of heartache and tragedy over lush orchestrations." — Patrick Ryan

THE ODD WORD

Wankle

Unstable or unsteady.

PHRASE OF THE DAY

Walk free

Meaning: To be released from a criminal charge without punishment, or not receive the expected or deserved punishment.
Origin: This phrase originated in the USA in the early 20th century. 'Walk free' had been used literally many times before that of course. In 1764, Roger L'Estrange published a collection of Seneca's essays under the title of Seneca's Morals by Way of Abstract, which included this line: What (says he) Shall I live in Trouble and Danger myself, and the Contriver of my Death - walk free, and secure?
The meaning there isn't far removed from the current American 'walk away from a crime without any punishment'. It is doubtful that whoever began the 20th US usage consulted the essays of Seneca first, however. Our present use of the phrase comes from the USA, not ancient Rome.
The earliest modern usage of the phrase is from the Connecticut newspaper The Bridgeport Telegram, December 1925:
"She walked free today after her fourth arrest in as many months."

CRYPTOQUIP

The Cryptoquip is a substitution cipher in which one letter stands for another. If you think that X equals O, it will equal O throughout the puzzle. Single letters, short words and words using an apostrophe give you clues to locating vowels. Solution is by trial and error.
